The Chairmen's RoundTable Kicks off New Year with the Addition of New Sponsors

- Irving Hughes and Brown Law Group are latest to pledge CRT sponsorship -

San Diego, CA – January 8, 2008 – The Chairmen's RoundTable (CRT), a San Diego-based, non profit volunteer organization that provides gratis mentoring and business advice to CEOs and Presidents of local, private businesses, today announced that Irving Hughes and Brown Law Group have recently become CRT sustaining sponsors.

"The CRT is sponsored by some of the most respected services firms in San Diego," said Hus Tigli, Chairman of the CRT. "The latest additions are no exception. Irving Hughes is the largest San Diego commercial real estate company that exclusively represents tenants. And Brown Law Group is a powerful local law firm that specializes in preventative law. Both companies are very active in the community and recognize the benefits the CRT offers to San Diego business. They appreciate the value that the mentorship of more than 200 businesses brings to the individual companies as well as the local economy."

Janice Brown, owner and founder of the Brown Law Group, understands the power of the CRT - perhaps more than any other sponsor. "I am a past beneficiary of the Chairmen's RoundTable mentorship", said Janice Brown. "I credit the CRT for many of the ideas that I have implemented that have helped my firm grow and prosper. After my experience, I knew I needed to pay it forward. I would like to make this incredible gift available to other local companies through my sponsorship of the CRT."
